DETAILED ACTION
EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. John Mion (Reg. No. 18,879) on 12/20/2006.

IN THE CLAIMS:

In claim 3, line 3 after "toward the", "end" has been replaced with -- ends --.

In claim 4, line 3 before "distal", "the" has been deleted.

In claim 7, line 8 before "different", -- a -- has been inserted.

In claim 7, line 8 after "different", "heights" has been replaced with -- height --.

In claim 7, line 17 before "to", "slot" has been replaced with -- slots --.

Allowable Subject Matter

2. The following is an examiner's statement of reasons for allowance:

Independent claims 2 and 7 in the amendment of 10/24/2006 are patentable over the prior art of record because the teachings of the references taken as a whole do not show or render obvious the combination set forth, including the slots, the first and second surfaces of the chute box, the guide members, the side walls and the guide ribs, in which the guide ribs are provided so that the width between each of them and the one of the side walls becomes narrower toward the second surface of the chute box. Also, there is no motivation to combine any of the references to arrive at the claimed arrangement.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Thomas A. Morrison whose telephone number is (571) 272-7221. The examiner can normally be reached on M-F, 8am - 5pm.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Patrick Mackey can be reached on (571) 272-6916. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
